# *The Mission*

**At Project H.A.L.O., our mission is to advocate for a world where everyone can live free from the threat of sexual violence by first creating awareness. We are committed to nurturing **\*\*Hope\*\***, empowering **\*\*Advocacy\*\***, promoting **\*\*Education\*\***, and supporting individuals on their journey to **\*\*Overcome\*\*** trauma. Through community engagement activities, such as galas and fundraising efforts, we aim to break down the barriers of silence and stigma surrounding sexual violence. We envision a future where *\*safety\**, *\*respect\**, and *\*equality\** are fundamental rights for all. Together, we can create a compassionate world where healing is achievable and prevention is a shared responsibility.**

**Our objective is to raise funds while recognizing leaders and organizations dedicated to breaking the cycle of sexual violence. We are proud to collaborate with the national 501(c)(3) organization, [GrowLuv.org](https://www.growluv.org), which is committed to ending human abuse. We are united in our mission to eliminate all forms of violence on a global scale!**
